### Good Sportsmanship Award

Dear SHCGC,

The purpose of this letter is to present before the board a candidate for the sportsmanship award. The AKC Code of Sportsmanship is the backbone of all AKC events. True sportsmanship brings dignity to our events and competitions. Although I know this is supposed to be for a single person, I think of Beth and Mike Finsterwalder as a team, a unit if you will.

They represent the best in our sports. Smiling and always happy with their dogs, even when they act silly for an audience. Never do I hear them say a cross word to their dogs. They are kind to other competitors which is getting rare in horse and dog sports. They are always willing to help those who are new to the sport, and those who are new to our breed. They are patient and very helpful to these newbies who can be trying at times.

Siberians are not the breed for everyone, and Mike and Beth display the patience and humor that is necessary for our Siberians. The audiences at various events can learn from them the way to handle this independent breed of dog. They can see that win or lose, Beth and Mike tell their dogs that they know they are going home with the best dog in the competition.

During this hard time of COVID, Mike and Beth have retained their humor and patience when many have lost it.

This is the meaning of good sportsmanship in its highest form.

Warm regards, Lee M. Cera
